What is Cultivating Alpha?

Cultivating Alpha is a Body, Mind & Spirit focused service *Dedicated to Well-being* offering Energy Therapy, individual holistic coaching, Reiki workshops, meditation and energy-consciousness classes.

“Everyone has the ability to develop and use his or her own energy-consciousness for self-improvement.”

The workshop fee of SFr. 300 includes the 2-day workshop and a one-hour consultation with Melina to be scheduled by each participant in the two months following the workshop. Reserve your place by completing this form, returning it and paying a deposit of SFr. 150 to:

Melina Fuhrmann

33, rue du Bourg-Dessus, CH-1248 Hermance

IBAN CH27 0900 0000 1417 9697 6

Upon receipt of the above, you will receive an email with some workshop details, practicalities, and some recommendations to follow in preparation for the workshop. The workshop will include a bound manual. An optional homemade vegetarian lunch is offered for SFr. 20 for both days together.
